IMPORTANT INFORMATION

Nasdaq First North Growth Market is a registered SME growth market, in accordance with the Directive on Markets in Financial Instruments (EU 2014/65) as implemented in the national legislation of Iceland, Denmark, Finland and Sweden, operated by an exchange within the Nasdaq Group. Issuers on Nasdaq First North Growth Market are not subject to all the same rules as issuers on a regulated main market, as defined in EU legislation (as implemented in national law). Instead, they are subject to a less extensive set of rules and regulations adjusted to growth companies. The risk inherent with investing in an issuer on Nasdaq First North Growth Market may therefore be higher than investing in an issuer on the main market. The respective Nasdaq exchange approves the application for admission to trading.

This Company Description does not constitute a prospectus under the Icelandic Act, no. 14/2020, on prospectus for securities when offered to the public or admitted to trading on a regulated market, nor under Regulation (EU) 2017/1129 of the European Parliament and of the Council. The Company Description has been drawn up under the responsibility of the Company and has been reviewed by Nasdaq Iceland hf., as the operator of First North Iceland.

This Company Description is accurate as of the date of this Company Description. The Issuer accepts responsibility for the information contained in this Company Description. To the best of the knowledge of the Issuer, the information contained in this Company Description is in accordance with the facts and does not omit anything likely to affect the import of such information. No person is or has been authorised by the Issuer to give any information or to make any representation not contained in or

not consistent with this Company Description or any other information supplied in connection with the Bond and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer. Neither this Company Description nor any other information supplied in connection with the Bond (a) is intended to provide the basis of any credit or other evaluation or (b) should be considered as a recommendation by the Issuer that any recipient of this Company Description or any other information supplied in connection with the Bond should purchase the Bond. Each investor contemplating purchasing the Bond should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer.

Neither this Company Description nor any other information supplied in connection with the Bond constitutes an offer or invitation by or on behalf of the Issuer to any person to subscribe for or to purchase the Bond. Neither the delivery of this Company Description nor the offering, sale or delivery of the Bond shall in any circumstances imply that the information contained herein concerning the Issuer is correct at any time sub-sequent to the date hereof.

This Company Description may only be used for the purposes for which it has been published. This Company Description does not constitute an offer to sell or the solicitation of an offer to buy the Bond in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Company Description and the offer or sale of the Bond may be restricted by law in certain jurisdictions. The Issuer does not represent that this Company Description may be lawfully distributed, or that the Bond may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer which is intended to permit a public offering of the Bond or distribution of this Company Description in any jurisdiction where action for that purpose is required. Accordingly, the Bond may not be offered or sold, directly or indirectly, and neither this Company Description nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Company Description or the Bond may come must inform themselves about, and observe, any such restrictions on the distribution of this Company Description and the offering and sale of the Bond.

This Company Description has been prepared on a basis that the Bond has a denomination which is greater than €100,000 (or its equivalent in any other currency) resulting in an exemption from the obligation under the Prospectus Regulation to publish a prospectus. Accordingly, any person making or intending to make an offer of the Bond in the relevant Member State may only do so in circumstances in which no obligation arises for the Issuer to publish a prospectus pursuant to the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer. The Issuer has not authorised, nor will it authorise, the making of any offer of the Bond in circumstances in which an obligation arises for the Issuer to publish or supplement a prospectus for such offer.

The Bond may not be a suitable investment for all investors. An investment in the Issuer's Bonds involves certain risks. Each potential investor in the Bond must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it: (i) has sufficient knowledge and experience to make a meaningful evaluation of the Bond, the merits

and risks of investing in the Bond and the information contained or incorporated by reference in this Company Description or any applicable supplement; (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bond and the impact the Bond will have on its overall investment portfolio; (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Bond, including if the Bond's currency for principal or interest payments is different from the potential investor's currency; (iv) understands thoroughly the terms of the Bond and is familiar with the behaviour of financial markets; and (v) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) the Bond is a legal investment for it, (2) the Bond can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of the Bond. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Bond under any applicable risk-based capital or similar rules.

Landsbankinn hf., reg. no. 471008-0280, Austurstræti 11, 155 Reykjavík ("**Landsbankinn**") acted as an advisor to the Issuer in connection with the issuance of the Bond and the listing on Nasdaq First North. Landsbankinn received an advisory fee in connection with the issuance and listing of the Bond.

2. RISK FACTORS

Investing in bonds involves a wide range of risks. The value of bonds can either increase or decrease. The investors assume the risk that the Issuer may become insolvent or otherwise be unable to make all payments due in respect of the Bond. There is a wide range of risk factors which individually or together could result in the Issuer becoming unable to make all payments due in respect of the Bonds. The Issuer may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer's control. Investors are therefore advised to familiarize themselves in detail regarding the main risk factors related to trading with bonds or seek for a professional advice in that regard. Future market conditions are uncertain, and it is not possible for the Issuer to estimate with certainty the probability of incidents or events that may affect market conditions in the future. The possibility also exists that the Issuer cannot meet its obligations, i.a. due to factors not listed specifically herein. Investors and prospective investors are always encouraged to make an independent assessment of the risks involved in investing in the Bond.

The order in which the categories of risk factors are presented does not necessarily reflect the probability of their occurrence or the magnitude of their potential impact, as the categories of risk factors mentioned herein could materialise individually or cumulatively. Any quantification of the significance of each individual category for the Issuer could be misleading, as other categories of risks factors may materialise to a greater or lesser degree.

FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE RISKS ASSOCIATED WITH THE BOND

The Issuer has the right to redeem the Bond at its option, this may limit the market value of the Bond and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return

An optional redemption feature of the Bond including following a Tax Redemption Notice, is likely to limit their market value. During any period when the Issuer may elect to redeem the Bond or when the Issuer is perceived by the market to have a redemption right available to it, the market value of the Bond generally will not rise substantially above the price at which it can be redeemed. This also may be true prior to any redemption period. Potential investors should consider reinvestment risk in light of other investments available at that time. The Issuer may be expected to redeem the Bonds when its cost of borrowing is lower than the interest rate on the Bonds. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Bonds being redeemed and may only be able to do so at a significantly lower rate.

The Issuer's obligations under the Bond are unsecured and subordinated

Repayment by the Issuer of the Bond prior to the Senior Discharge Date (as defined in the Subordination Agreement) is subject to the consent of the Senior Lender. Therefore, the Bondholders bear the risk that such consent is withheld or delayed which can result in non-payment by the Issuer of the Bond.

On a liquidation, dissolution or winding-up of, or analogous proceedings over the Issuer by way of exercise of public authority all claims in respect of the Bond will rank pari passu without any preference among themselves, rank pari passu with other existing and future unsecured and unsubordinated financial indebtedness of the Issuer, except that the Convertible Bonds would be subordinated to the Senior Bonds (as defined below) pursuant to the terms of the Intercreditor Deed (as defined below). The Bondholders shall be required to enter into an accession undertaking substantially in the form of schedule 2 of the Intercreditor Deed pursuant to which such bondholder accedes to the Intercreditor Deed as a Subordinated Creditor (as defined in the Intercreditor Deed). If, on a winding-up of the Issuer, the assets of the Issuer are insufficient to enable the Issuer to repay the claims ranking senior to the Bonds in full, the Bondholders will lose their entire investment in the Bond. If there are sufficient assets to enable the Issuer to pay the claims ranking senior to the Bonds in full but insufficient assets to enable it to pay claims in respect of its obligations in respect of the Bond, Bondholders will lose some (which may be substantially all) of their investment in the Bond. The issue or guaranteeing of any securities or the incurrence of any other liabilities may reduce the amount (if any) recoverable by Bondholders during a winding-up of the Issuer and may limit the Issuer's ability to meet its obligations under the Bond. Although the Bond may pay a higher rate of interest than comparable bonds which are not subordinated, there is a significant risk that an investor in the Bond will lose all or some of his or her investment should a winding-up of the Issuer occur.

The Issuer and/or other member of the Group can incur additional debt.

The terms of the Bonds do not limit the amount of additional indebtedness that the Issuer and/or its subsidiaries can create, incur, assume or guarantee. The Issuer and/or its subsidiaries may create, incur, assume or guarantee additional indebtedness, and, to the extent the Bonds permit, such debt may rank senior to the Bonds.

Bondholders' anti-dilution protection may be limited.

The Conversion Price at which the Bonds may be converted into Shares will be adjusted only in the situations and to the extent provided in the Bonds. There is no requirement that there must be an adjustment for every corporate or other event that may affect the value of the Conversion Rights. Events in respect of which no adjustment must be made may adversely affect the value of the Conversion Rights and the Bonds.

Bondholders have no protection against a falling Share price.

The Conversion Price at which the Bonds may be converted into Shares will not be subject to any downward adjustment if the market price of the Shares falls below the market price by reference to which the Conversion Price will be set. Although the market price of the Issuer's shares may fluctuate there is the risk the market price of the Shares may never be higher than the Conversion Price during the term of the Bonds, and Bondholders may never be able to convert the Bonds into Shares at a profit.

Upon conversion of the Bonds, Bondholders may be subject to additional expenses or taxes.

Upon conversion of a Bond, expenses, taxes, stamp, issue, registration, documentary, transfer and other duties may be due by the Bondholders.

Bondholders have no shareholder rights prior to exercising their Conversion Rights.

An investor in the Bonds is not a shareholder of the Issuer. No Bondholder (in his capacity as such) has any right to participate in shareholders' meetings, any voting rights, rights to receive dividends or other distributions or any other rights with respect to the Shares unless such Bondholder has exercised his or her Conversion Right and has been recorded in the share register of the Issuer as a shareholder with voting rights in relation to the Shares received upon conversion.

The value of the Bond could be adversely affected by a change in English law or administrative practice

The terms of the Bond are based on English law in effect as at the date of this Company Description. No assurance can be given as to the impact of any possible judicial decision or change to English law and/or Icelandic law (as the case may be) or administrative practice after the date of this Company Description and any such change could materially adversely impact the value of any Bond affected by it.

The Bond are unsecured and do not have the benefit of a negative pledge provision

The Bond will be unsecured and do not have the benefit of a negative pledge provision. If the Issuer defaults on the Bond, or in the event of a bankruptcy, liquidation or reorganisation, then, to the extent that the Issuer has granted security over its assets, the assets that secure those obligations will be used to satisfy the obligations thereunder before the Issuer could sell or otherwise dispose of those assets in order to make any payment on the Bond. As a result of the granting of such security, there may only be limited assets available to make payments on the Bond in such circumstances. In addition, there is no restriction on the issue by the Issuer of other similar securities that do have the benefit of security, which may impact on the market price of its securities, such as the Bond, that are unsecured.

The terms of the Bond contain provisions which may permit their modification without the consent of all investors

The terms of the Bond contain provisions for calling meetings of Bondholders to consider and vote upon matters affecting their interests generally, or to pass resolutions (including in writing). These provisions permit defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant meeting or did not sign the written resolution and including those Bondholders who voted in a manner contrary to the majority. As a result, Bondholders can be bound by the result of a vote they voted against.

If the Bonds are not denominated in the investor's home currency, he will be exposed to movements in exchange rates adversely affecting the value of his holding.

The Issuer will pay principal and interest on the Bonds in ISK. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the Investor's Currency) other than the ISK. These include the risk that exchange rates may significantly change (including changes due to devaluation of ISK or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to ISK would decrease (1) the Investor's Currency-equivalent yield on the Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Bonds and (3) the Investor's Currency-equivalent market value of the Bonds.

An active secondary market in respect of the Bond may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Bond

The Bond may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell the Bond easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. Illiquidity may have a severely adverse effect on the market value of the Bond.

The value of the Bond may be adversely affected by movements in market interest rates and market price

Investment in the Bond, which carries a fixed rate of interest, involves the risk that subsequently changes and fluctuations in market interest rates may adversely affect the value of the Bond. Due to the Conversion Right the value of the Bond may also be affected by fluctuations in the market price per share of the Issuer.

4.8 Conversion

(a) Conversion Right

- (i) Conversion Period: Subject as hereinafter provided, Bondholders have the right to convert their Bonds into Shares credited as fully paid at any time during the Conversion Period, which conversion shall occur through a setoff of the subscription and/or acquisition price for the Conversion Shares to be issued and the principal amount due under the Bonds tendered for conversion. The right of a Bondholder to convert any Bond into Shares is the “**Conversion Right**.” Subject to and upon compliance with the provisions of this Section 4.8, the Conversion Right attaching to any Bond may be exercised, at the sole discretion of the holder thereof, during the period (the “**Conversion Period**”) from (and including) the date falling on the 30th day prior to the Conversion Date, to and (including) the date falling on the 5th day prior to the Conversion Date; provided that each exercise of the Conversion Right must be with respect to Bonds of a principal amount of at least US\$5,000,000, or if such exercise is with respect to all of the Bonds held by the relevant Bondholder and the principal amount of such Bonds is less than US\$5,000,000, such lesser amount.
- (ii) Regulation S holding period: Prior to the 41st day after the Issue Date, no offer or sale of Bonds may be made, and no transfer of the Bonds will be effected, except in compliance with Rule 903 or Rule 904 of Regulation S, pursuant to registration of the Bonds under the Securities Act or pursuant to an available exemption from the registration requirements of the Securities Act.
- (iii) Fractions of Shares: Fractions of Shares will not be issued on conversion and no cash adjustments will be made in respect thereof. However, if the Conversion Right in respect of more than one Bond is exercised at any one time such that the Shares to be issued on conversion are to be registered in the same name, the number of such Shares to be issued in respect thereof shall be calculated on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Shares. Notwithstanding the foregoing, in the event of a consolidation or re-classification of Shares by operation of law or otherwise occurring after the Issue Date which reduces the number of Shares outstanding, the Issuer will upon conversion of Bonds pay to the Bondholder in cash in U.S. dollars (by means of a U.S. dollar cheque drawn on an Issuer in New York or by wire transfer to the Issuer account to be designated by the relevant Bondholder in writing) a sum (or the Dollar Equivalent thereof) equal to such portion of the principal amount of the Bond or Bonds delivered in connection with the exercise of Conversion Rights, aggregated as provided in Section 3.7(a)(iii), as corresponds to any fraction of a Share not issued as a result of such consolidation or re-classification aforesaid if such sum exceeds US\$10.00. Any such sum shall be due and payable on the date the Shares are delivered pursuant to Section 3.7(b)(iv).
- (iv) Conversion Price and Conversion Ratio: The number of Shares to be issued on conversion of a Bond will be determined by dividing (i) the Dollar Equivalent of principal amount of the Bonds plus any accrued but unpaid and uncapitalised coupon to be converted by (ii) the Conversion Price in effect on the Conversion Date. If more than one Bond held by the same holder is converted at any one time by the same holder, the number of Shares to be issued upon such conversion will be calculated on the basis of the Dollar Equivalent of the aggregate principal amount of the Bonds to be converted.

- (v) **Revival and/or survival after Default:** Notwithstanding the provisions of Section 3.7(a), if: (i) the Issuer shall default in making payment in full in respect of any Bond which shall have been called for redemption on the date fixed for redemption thereof; (ii) any Bond has become due and payable prior to the Maturity Date by reason of the occurrence of any of the events referred to in Section 4.13; or (iii) any Bond is not redeemed on the Maturity Date in accordance with Section 1.1(a), the Conversion Right attaching to such Bond will revive and/or will continue to be exercisable up to, and including, the close of business at the Registered Office on the date upon which the full amount of the moneys payable in respect of such Bond has been duly received by the Bondholders and, notwithstanding the provisions of Section 4.8(a), any Bond in respect of which the relevant Bond and Conversion Notice are delivered for conversion prior to such date shall be converted on the relevant Conversion Date notwithstanding that the full amount of the moneys payable in respect of such Bond shall have been received by the Bondholders before such Conversion Date or that the Conversion Period may have expired before such Conversion Date.

(b) **Conversion Procedure**

- (i) Conversion Notice:
- (A) The Issuer shall give the holder not less than 30 days' notice before a Conversion Date confirming the relevant holder's Conversion Right and the applicable Conversion Period thereof.
- (B) To exercise the Conversion Right attaching to any Bond, the holder thereof must, within the Conversion Period, complete, execute and deliver at its own expense during normal office hours at the Registered Office a notice of conversion (a "**Conversion Notice**") together with the relevant Bond. A Conversion Notice deposited outside the normal office hours or on a day which is not a Business Day at the place of the Registered Office shall for all purposes be deemed to have been deposited during the normal office hours on the next Business Day following such day.
- (C) A Conversion Notice once delivered shall be irrevocable and may not be withdrawn unless the Issuer consents in writing to such withdrawal. Each Bond shall for the purpose of the conversion be considered as a firm subscription for the Conversion Shares. The Bondholders agree, for the purpose of a conversion of the Bonds, to cooperate with the Issuer to execute a beneficial ownership declaration and any other document for the conversion to the extent required by the Issuer.
- (D) Upon delivery of the relevant Conversion Shares in accordance with Section 3.7(b)(iv), the Bonds so converted shall be cancelled and shall no longer be outstanding and the relevant Bondholders shall have no rights with respect to such Bonds other than the relevant Conversion Shares and the registration of their ownership relating to such Conversion Shares. In case of issuance of Shares by the Board, the Board shall, without undue delay, ensure the amendment of the Articles in front of a notary to reflect such issuance.

- (ii) Stamp Duty etc.: A Bondholder delivering a Bond for conversion must pay: (i) any taxes and capital, stamp, issue and registration duties arising on conversion (other than any taxes or capital or stamp duties payable in the place of the Stock Exchange or, if relevant, in the place of an Alternative Stock Exchange, by the Issuer in respect of the allotment and issue of Shares and listing of the Shares on the Stock Exchange or if relevant, such Alternative Stock Exchange on conversion) (the “**Conversion Taxes**”); and (ii) all, if any, taxes arising by reference to any disposal or deemed disposal of a Bond in connection with such conversion, in each case directly to the relevant authorities. The Issuer is under no obligation to determine whether a Bondholder is liable to pay any Conversion Taxes under this Section 4.8(b) and shall not be liable for any failure of a Bondholder to make such payment. The Issuer will pay all other expenses arising on the issue of Shares upon any conversion of Bonds.
- (iii) Documents: The Issuer’s obligation to issue Conversion Shares is further subject to the Issuer receiving any documents as may be reasonably requested from the relevant Bondholder by the Issuer to permit the issuance of Conversion Shares and compliance of legal obligations incumbent on the Issuer (including, but not limited to, any “know-your-customer” documents).
- (iv) Registration:
 - (A) As soon as practicable, and in any event not later than seven Business Days after the Conversion Date, the Issuer will, in the case of Bonds converted on exercise of the Conversion Right and in respect of which a duly completed Conversion Notice has been delivered and the relevant Bond and amounts payable by the relevant Bondholder deposited or paid as required by Sections 4.8(a) and 4.8(b):
 - (1) take a resolution regarding the delivery of any Conversion Shares which shall mean either (x) the decision of the Board or equivalent, competent corporate body to issue such Conversion Shares under the authorised capital of the Issuer, or (y) the convening of a general meeting of shareholders of the Issuer, the taking of a valid resolution of the general meeting of shareholders on the capital increase by conversion of Bonds, (z) or decide to deliver Shares held in treasury to the exercising Bondholder. The relevant Bondholder(s) shall either be registered as shareholder(s) in the share register of the Issuer, and, as the case may be, the remittance thereafter to the shareholder(s) of one or more adequate certificates of that registration in the share register of the Issuer relating to the ownership of such Conversion Shares, and any applicable legends (if any) shall be attached to the Shares, or the Shares shall be made available for delivery to the relevant securities account of the exercising Bondholder (if applicable). In case of issuance of new Conversion Shares, the Conversion Price of the Conversion Shares issued upon the exercise of any Conversion Rights shall be deemed paid by way of set off (compensation) between the Conversion Price paid in cash in connection with such exercise and the principal amount of the Bond converted in accordance with Article 420-27 of the Companies Law. Any amount paid in excess of the nominal value of the Conversion Shares shall be allocated to the share premium account of the Issuer. In case of transfer of treasury shares, the purchase price shall be set off against the principal amount of the Bonds so converted;

- (2) register the person or persons designated for the purpose in the Conversion Notice as holder(s) of the relevant number of Shares in the Issuer's share register; and
 - (3) if applicable and requested by the Bondholder in the Conversion Notice and to the extent permitted under applicable law and rules and procedures of the relevant clearing system in effective at the time, take all necessary actions to procure the relevant Conversion Shares to be delivered through such clearing system (to the extent permitted by applicable rules and regulations).
- (B) If the Conversion Date in relation to any Bond shall be after the record date for any issue, distribution, grant, offer or other event as gives rise to the adjustment of the Conversion Price pursuant to Section 4.8(c)(vii), but before the relevant adjustment becomes effective under the relevant Section, upon the relevant adjustment becoming effective the Issuer shall procure the issue and/or delivery from treasury to the converting Bondholder (or in accordance with the instructions contained in the Conversion Notice (subject to applicable exchange control or other laws and regulations)), such additional number of Shares as, together with the Shares issued or to be issued on conversion of the relevant Bond, is equal to the number of Shares which would have been required to be issued on conversion of such Bond if the relevant adjustment to the Conversion Price had been made and become effective immediately after the relevant record date (as calculated by the Issuer in accordance with this Instrument), in exchange for a subscription price corresponding to the nominal value of the Conversion Shares to be paid in case or by way of surrender of additional Bonds for conversion at a Conversion Price or acquisition price corresponding to the nominal value thereof.
- (C) The person or persons designated in the Conversion Notice will become the holder(s) of record of the number of Shares issuable upon conversion with effect from the date he is or they are registered as such in the Issuer's share register (the "**Registration Date**"). The Conversion Shares issued upon conversion of the Bonds will be issued as fully paid, free from all encumbrances and will in all respects rank pari passu with the Shares in issue on the relevant Registration Date. Save as set out in this Instrument, a holder of Shares issued on conversion of Bonds shall not be entitled to any rights the record date for which precedes the relevant Registration Date.

(D) If the record date for the payment of any Dividend or other distribution in respect of the Shares is on or after the Conversion Date in respect of any Bond, but before the Registration Date (disregarding any retroactive adjustment of the Conversion Price referred to in this Section prior to the time such retroactive adjustment shall have become effective), the Issuer will pay to the converting Bondholder or his designee an amount (the “**Equivalent Amount**”) equal to the Fair Market Value of any such Dividend or other distribution to which he would have been entitled had he on that record date been such a shareholder of record and will make the payment at the same time as it makes payment of the Dividend or other distribution, or as soon as practicable thereafter, but, in any event, not later than seven days thereafter. The Equivalent Amount shall be paid in cash in U.S. dollars (by means of a U.S. dollar cheque drawn on an Issuer in New York or by wire transfer to the Issuer account to be designated by the relevant Bondholder in writing) and sent to the address specified in the relevant Conversion Notice.

(v) Legends on Conversion Shares.

(A) Unless the Issuer determines otherwise, each Conversion Share shall bear the following or similar legends, if applicable:

- (ii) Aggregation of Shares. If after the date hereof, and subject to the provisions of paragraph (v) below, the number of issued and outstanding Shares is decreased by a consolidation, combination, reverse share split or reclassification of Shares or other similar event, then, with effect from the effective date of such consolidation, combination, reverse share split, reclassification or similar event, the Conversion Price shall be reduced, and the number of Conversion Shares to be converted on exercise of the Conversion Rights shall be increased, in each case, in proportion to such decrease in issued and outstanding Shares.
- (iii) Replacement of Securities upon Reorganization, etc. Subject to paragraph (v) below, in case of any reclassification or reorganization of the issued and outstanding Shares, or in the case of any merger or consolidation of the Issuer with or into another corporation (other than a consolidation or merger in which the Issuer is the continuing corporation and that does not result in any reclassification or reorganization of the issued and outstanding Shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Issuer as an entirety or substantially as an entirety in connection with which the Issuer is dissolved, the Bondholders shall thereafter have the right to convert, upon the basis and upon the terms and conditions specified in this Instrument and in lieu of the Shares of the Issuer immediately theretofore exchangeable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the Bondholders would have received if such holder had exercised his, her or its Conversion Rights immediately prior to such event (the “**Alternative Issuance**”).
- (iv) Notices of Changes in Conversion Price. The Issuer shall give written notice of any proposed adjustment in accordance with this Section 4.8(c) to each Bondholder as soon as practicable (and in any event at least five (5) business days prior to the proposed event affecting the capital of the Issuer), which notice shall set out all material details of the proposed event and state the Conversion Price resulting from such adjustment and the increase or decrease, if any, in the number of Shares to be issued upon the exercise of the Conversion Right, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

- (v) Adjustment Principles. Notwithstanding any provision contained in this Agreement to the contrary:
- (I) the Issuer shall not issue fractional Shares upon the exercise of Conversion Rights. If, by reason of any adjustment made pursuant to this Section 4.8, any Bondholder would be entitled, upon the exercise of such Conversion Rights, to receive a fractional interest in a share, the Issuer shall, upon such exercise, round down to the nearest whole number the number of Shares to be issued to such holder; and
 - (II) (the Issuer shall not make any adjustments to the terms of this Section 4.8 without the prior written consent of the relevant Bondholders unless the total number and class of securities to be, or capable of being, converted for pursuant to the Conversion Right will carry the same pro rata voting power and economic entitlement to participate in the profits and assets of the Issuer, as the Shares which would have been issued under the Conversion Right had there been no such adjustment and no such event giving rise to such adjustment.
- (vi) Other Events. Subject to paragraph (v) above, in case any event shall occur affecting the Issuer as to which none of the provisions of preceding subsections of this Section 4.8 are strictly applicable, but which would require an adjustment to the terms of the Bonds in order to (i) avoid an adverse impact on the Bonds and (ii) effectuate the intent and purpose of this Section 4.8, then, in each such case, the Issuer shall appoint a firm of independent public accountants, investment banking or other appraisal firm of recognized national standing, which shall give its opinion as to whether or not any adjustment to the rights represented by the Bonds is necessary to effectuate the intent and purpose of this Section 4.8 and, if they determine that an adjustment is necessary, the terms of such adjustment. The Issuer shall adjust the terms of the Bonds in a manner that is consistent with any adjustment recommended in such opinion.
- (vii) All costs, charges, liabilities, and expenses incurred in connection with the appointment, retention, consultation and remuneration of the investment Issuers appointed under this Instrument shall be borne by the Issuer.
- (viii) On any adjustment, the relevant Conversion Price, if not an integral multiple of one U.S. dollar shall be rounded down to the nearest four decimal places of one U.S. dollar or Relevant Currency cent, as the case may be. No adjustment shall be made to the Conversion Price where such adjustment (rounded down, if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and any amount by which the Conversion Price has not been rounded down, shall be carried forward and taken into account in any subsequent adjustment. Notice of any adjustment shall be given to the Bondholders as soon as practicable after the determination thereof.
- (ix) The Conversion Price may not be reduced so that, on conversion of Bonds, Shares would fall to be issued at a discount to their nominal value or Shares would be required to be issued in any other circumstances not permitted by applicable laws then in force in the Issuer's jurisdiction of incorporation or the Listing Rules.

- (x) Where more than one event which gives or may give rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of two leading investment Issuers of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, the foregoing provisions would need to be operated subject to some modification in order to give the intended result, such modification shall be made to the operation of the foregoing provisions as may be advised by two leading investment Issuers of international repute (acting as experts), selected by the Issuer and approved by an Ordinary Resolution of the Bondholders, to be in their opinion appropriate in order to give such intended result.
- (xi) No adjustment shall be made to the Conversion Price where Shares or other securities (including rights, warrants or options) are issued, offered, exercised, allotted, appropriated, modified or granted to or for the benefit of employees, former employees, contractors or former contractors (including directors holding or formerly holding executive office) of the Issuer or any Subsidiary, pursuant to any share option scheme or plan that is duly adopted by the Issuer in accordance with the Listing Rules.
- (xii) No adjustment involving an increase in the Conversion Price will be made, except in the case of a consolidation of the Shares as referred to in Section 4.8(c)(i) above or to correct an error.

- (a) *Purchase Entirely for Own Account.* The Bonds (and any Conversion Shares acquired pursuant to any conversion thereof) will be acquired for the Bondholder's own account, not as nominee or agent, for the purpose of investment and not with a view to the resale or distribution of any part thereof in violation of the Securities Act, and the Bondholder has no present intention of selling, granting any participation in, or otherwise distributing the same in violation of the Securities Act without prejudice, however, to the Bondholder's right at all times to sell or otherwise dispose of all or any part of the Bonds in compliance with applicable federal and state securities laws. The Bonds are being purchased by the Bondholder in the ordinary course of its business. Nothing contained herein shall be deemed a representation or warranty by the Bondholder to hold the Bonds for any period of time. The Bondholder is not a broker-dealer registered with the SEC under the U.S. Securities Exchange Act of 1934, as amended, ("**Exchange Act**") or an entity engaged in a business that would require it to be so registered. Neither the Bondholder nor any account for which it is acting (if any) was formed for the specific purpose of acquiring the Bonds (and any Conversion Shares acquired pursuant to any conversion thereof).
- (b) *No U.S. Person.* Each Bondholder represents, warrants and confirms that it, and any account it is acquiring the Bonds (and any Conversion Shares acquired pursuant to any conversion thereof) for, is not a "U.S. Person" and is purchasing the Bonds in an "offshore transaction" (as such terms are defined under Regulation S) and that it understands that the Bonds will be subject to a distribution compliance period under Regulation S of the Securities Act;

- (e) *U.S. Securities Act.* Each Bondholder represents, warrants and confirms that it understands that the Bonds (and any Conversion Shares acquired pursuant to any conversion thereof) may only be resold or otherwise transferred in a transaction exempt from, or not subject to, the registration requirements of the Securities Act, and in compliance with applicable state securities law, and that the Issuer is not required to register the Bonds under the Securities Act;
- (d) *No Registration.* Each Bondholder represents, warrants and confirms that it understands that the Bonds (and any Conversion Shares acquired pursuant to any conversion thereof) have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States, that any offer and sale of the Bonds to it is being made in reliance on an exemption from, or is a transaction not subject to, the registration requirements of the Securities Act in a transaction not involving any public offering in the United States;
- (e) *Disclosure of Information.* Each Bondholder represents, warrants and confirms that it understands and acknowledges (A) that it is responsible for conducting its own due diligence in connection with the matters which are the subject of this Company Description and any purchase of Bonds (and any Conversion Shares acquired pursuant to any conversion thereof) by it, (B) that it has made its own independent investigation and appraisal of the business, results, financial condition, prospects, creditworthiness, status and affairs of the Issuer and, following such investigation and appraisal and the other due diligence that it deemed necessary and subsequently conducted in connection with the matters which are the subject of this Agreement, it has made its own investment decision to acquire the Bonds, (C) that it is aware and understands that an investment in the Bonds (and any Conversion Shares acquired pursuant to any conversion thereof) involves a considerable degree of risk and that no U.S. federal or state or non-U.S. agency has made any finding or determination as to the fairness for investment or any recommendation or endorsement of any such investment and (D) that it has made its own assessment concerning the relevant tax, legal, economic and other considerations relevant to its investment in the Bonds.
- (f) *Control Securities.* Each Bondholder understands that the Bonds and the Conversion Shares may be characterized as “**control securities**” under the U.S. federal securities laws if the Bondholder is an affiliate (as such term is defined in Rule 144 under the Securities Act (or any successor rule)) and that under such laws and applicable regulations the Bonds (and any Conversion Shares acquired pursuant to any conversion thereof) may be resold without registration under the Securities Act only in certain limited circumstances.
- (g) *Independent Investment Decision.* Each Bondholder understands that nothing in this Instrument or any other materials presented by or on behalf of the Issuer to the Bondholder in connection with the purchase of the Bonds constitutes legal, tax or investment advice. The Bondholder has consulted such legal, tax and investment advisors as it, in their sole discretion, has deemed necessary or appropriate in connection with its purchase of the Bonds.

4.10 Undertakings

- (a) The Issuer undertakes and warrants, inter alia, that so long as there are any outstanding Bonds save with the approval of a Special Resolution of the Bondholders, it shall (and, where applicable, shall procure that its Subsidiaries shall):

 - (vi) reserve, free from any pre-emptive or other similar rights, under its authorised share capital, the full number of Shares liable to be issued on conversion of the Bonds from time to time and will ensure that all Shares will be duly and validly issued;
 - (vii) not make any offer, issue or distribution or take any action the effect of which would be to reduce the Conversion Price below the nominal value of the Shares of the Issuer; provided always that the Issuer shall not be prohibited from purchasing its Shares to the extent permitted by law.

(b) **Notice of Change in Conversion Price**

The Issuer shall give notice to the Bondholders and the Stock Exchange (or, as the case may be, the Alternative Stock Exchange), of any change in the Conversion Price. Any such notice relating to a change in the Conversion Price shall set forth the event giving rise to the adjustment, the Conversion Price prior to such adjustment, the adjusted Conversion Price and the effective date of such adjustment. Any such adjustment of the Conversion Price shall be binding on the Bondholder save manifest error of the Issuer.

(c) **Anti-Layering**

The Issuer undertakes and warrants, inter alia, that so long as there are any Bonds outstanding, save with the approval of a Special Resolution of the Bondholders, it will not, and will not permit any Guarantor to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) that is subordinate in right of payment to any senior Indebtedness of the Issuer or such Guarantor, as the case may be, unless such Indebtedness is either:

- (i) secured or expressed to be secured by Transaction Security (as such term is defined in the Intercreditor Deed) on a basis junior to the Senior Bonds (or any other Secured Obligations);
- (ii) expressed to rank or rank so that it is subordinated to the Alvogen Lux Shareholder Loans Roll Facility (or any other Secured Obligations) but are senior to the Bonds;

- (v) provided that any Indebtedness incurred by the Issuer after the Issue Date (other than the Senior Bonds, the Other Bonds, the Saemundargata Loans, the Alvogen Facility, the Aztiq CB, any New Equity Issuance, and any New Capital Increase) shall be subject to the terms of a subordination agreement, such that such Indebtedness is subordinated to the Bonds.

(d) **Centre of Main Interests**

The Issuer represents and warrants that for the purposes of the Regulation, its Centre of Main Interests is situated in its jurisdiction of incorporation. Each of the Issuer and the Guarantors incorporated in the European Union further undertakes and warrants that so long as there are any outstanding Bonds, it shall not take any positive action to deliberately change the location of its Centre of Main Interests for the purposes of the Regulation where that change would be materially adverse to the interests of the Bondholders.

For purposes of this Section 4.10(d) only:

“**Centre of Main Interests**” means “centre of main interests” as such term is used in Article 3(1) of Regulation (EU) No. 2015/848 of May 2015 of the European Parliament and of the Council on Insolvency Proceedings (recast) (the “**Regulations**”); and

Such default interest shall accrue on the basis of the actual number of days elapsed and a year of 360 days of twelve 30-day months.
- (ii) Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due if such delay is caused solely because the due date is not a Business Day or if a cheque mailed in accordance with this Section 4.11 arrives after the due date for payment.
- (iii) If an amount which is due on the Bonds is not paid in full, the Issuer shall annotate the Register of Bondholders with a record of the amount (if any) in fact paid.

Unless previously redeemed, or purchased and cancelled as provided herein, the Issuer will redeem each Bond at an amount equal to the Redemption Amount on the Maturity Date. The Issuer may not redeem the Bonds at its option prior to the Maturity Date except as provided in Sections (b) and (c) below (but without prejudice to Section 4.14).

(b) **Optional Redemption**

In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

(c) **Redemption for Taxation Reasons**

- (i) To the extent permitted under the terms of Senior Bonds Instrument, the Issuer may, at any time, having given not less than 30 nor more than 60 days' notice (a "**Tax Redemption Notice**") to the Bondholders (which notices shall be irrevocable), redeem the Bonds, in whole but not in part, at an amount equal to the Redemption Amount on the date fixed for redemption in the Tax Redemption Notice (the "**Tax Redemption Date**") (subject to the right of Bondholders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if:

- i. any change in, or amendment to, the laws or regulations of Luxembourg, Iceland, Germany, Switzerland or any political subdivision or any authority thereof or therein having power to tax (a "**Tax Jurisdiction**"); or

- (B) such obligation cannot be avoided by the Issuer and/or the relevant Guarantor(s) taking reasonable measures available to it or them;

provided that no such Tax Redemption Notice shall be given (x) earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Bonds then due and (y) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption pursuant to this Section 1.1(c)(i), the Issuer shall deliver to the Bondholders: (i) a certificate signed by a director of the Issuer stating that the obligation referred to in paragraph (A) above cannot be avoided by the Issuer and/or the relevant Guarantor(s) (after taking reasonable measures available to it or them); and (ii) a written opinion of independent legal or tax advisers of recognised international standing qualified under the laws of the Tax Jurisdiction and reasonably satisfactory to the Bondholders to the effect that the Issuer or Guarantor, as the case may be, has been or will become obligated to pay Additional Amounts as a result of a Change of Tax Law.

- (ii) Subject to Section 1.1(c)(iii) below, the Issuer will be bound to redeem the Bonds on the Tax Redemption Date at an amount equal to the Redemption Amount.

4.13 Taxation

(a) Taxation Gross-Up

- (i) All payments, whether of principal, premium or otherwise, made by or on behalf of the Issuer (including, in each case, any successor entity), as the case may be, under or with respect to this Instrument, shall be made free and clear of and without withholding or deduction for, or on account of, any present or future tax, fee, duty, levy, tariff, impost, assessment or other governmental charge (including penalties, coupon and other liabilities related thereto) (collectively, “**Taxes**”) (such withholding or deduction for, or on account of, Taxes being referred to as a “**Tax Deduction**”) unless the Tax Deduction is then required by law. The Issuer shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction), with respect to the Bondholders, notify such Bondholders accordingly. If a Tax Deduction will at any time be required to be made from any payments made by or on behalf of the Issuer under or with respect to this Instrument, including payments of principal, redemption price, coupon, additional amounts or premium, if any, the Issuer shall pay such additional amounts (the “**Additional Amounts**”) as may be necessary in order that the net amounts received in respect of such payments by the holders of a Bond, or beneficial owner of the Bonds, in respect of such payments, after such withholding or deduction (including any such withholding or deduction from such Additional Amounts) will not be less than the amounts that would have been received by each Bondholder in respect of such payments under or with respect to this Instrument in the absence of such Tax Deduction; *provided, however*, that no Additional Amounts will be payable with respect to:
- i. any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Bond for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder of that Bond (except to the extent that the holder of the Bond would have been entitled to Additional Amounts had the Bond been presented on the last day of such 30-day period);
 - ii. any FATCA Deduction; or
 - iii. any combination of the above clauses i to ii.
- (ii) The Issuer shall pay and indemnify the Bondholders or the beneficial owner of the Bonds for any present or future stamp, issue, registration, transfer, court or documentary taxes, or any other excise or property taxes, charges or similar levies (including any penalties, coupon and other liabilities related thereto) that are payable in, or levied by any jurisdiction on the execution, delivery, transfer or registration of this Instrument or the Bonds or the receipt of any payments with respect to, or enforcement of, this Instrument or the Bonds (such sum being recoverable from the Issuer as a liquidated sum payable as a debt).

- (iii) If the Issuer becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to any Bond or this Instrument, the Issuer shall deliver to the Bondholder on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises less than 45 days prior to that payment date, in which case the Issuer shall notify the Bondholder as promptly as practicable after the date that is 30 days prior to the payment date) notice signed by a director of the Issuer stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Bondholder shall not have any obligation to determine whether any Additional Amounts are payable or the amount of such Additional Amounts.
- (iv) The Issuer shall make all Tax Deductions (within the time period and in the minimum amount) required by law and shall remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer shall, whether or not Additional Amounts are payable, use its or their reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer shall furnish to the Bondholders, and to a beneficial owner of Bonds upon request, within a reasonable time after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence (reasonably satisfactory to the Bondholders) of payments by such entity.
- (v) If a credit against, relief or remission for, or repayment of any Tax ("**Tax Credit**") is attributable to a Tax Deduction and the Bondholder has obtained and utilised that Tax Credit, the Bondholder shall pay an amount to the Issuer which leaves it (after that payment) in the same after-Tax position as it would have been in had the Tax Deduction not been required to be made by the Issuer.
- (vi) Wherever in this Instrument there is mentioned, in any context:
 - i. the payment of principal;
 - ii. purchase prices in connection with a purchase of Bonds;
 - iii. coupon; or
 - iv. any other amount payable on or with respect to any of the Bonds,
such reference shall be deemed to include payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.
- (vii) The obligations described under this Section 4.13 shall survive any termination, defeasance or discharge of this Instrument and shall apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer is incorporated, or resident or doing business for tax purposes or any jurisdiction from or through which such Person makes any payment on the Bonds and any department or political subdivision thereof or therein.

(viii) The Issuer will:

- i. pay all stamp duty, registration, documentary, transfer and other similar Taxes payable in respect of any Bond Document; and
- ii. within five Business Days of demand of a Bondholder, indemnify such Bondholder from and against any cost, loss or liability that Bondholder incurs in any jurisdiction in relation to any stamp duty, registration, documentary, transfer or other similar Tax paid or payable in respect of any Bond Document.

The parties hereto acknowledge that the foregoing indemnities shall survive the termination of this Instrument.

- (ii) Each party hereto shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Issuer..
- (iii) Subject to Section 1.1(b)(v), each party hereto shall, within ten Business Days of a reasonable request by any other party:
 - i. confirm to that other party whether it is:
 - a FATCA Exempt Party; or
 - not a FATCA Exempt Party;
 - ii. supply to that other party such forms, documentation and other information relating to its status under FATCA as that other party reasonably requests for the purposes of that other party's compliance with FATCA; and
 - iii. supply to that other party such forms, documentation and other information relating to its status as that other party reasonably requests for the purposes of that party's compliance with any other law, regulation, or exchange of information regime.
- (iv) If a party hereto confirms to another party hereto pursuant to paragraph 4.13(b)(iii)i above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that party shall notify that other party reasonably promptly.

- (v) Section 1.1(b)(iii) above shall not oblige the Bondholders to do anything which would or might in its reasonable opinion constitute a breach of:
- any law or regulation;
 - any fiduciary duty; or
 - any duty of confidentiality.

“**Consolidated Leverage Ratio**” means, with respect to any Person, at any date, the ratio of (i) Indebtedness of such Person and its Restricted Subsidiaries as of such date of calculation (determined on a consolidated basis in accordance with IFRS) less the amount of Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of such Person and its Restricted Subsidiaries and held by such Person and its Restricted Subsidiaries as of such date of determination to (ii) EBITDA of such Person for the four full fiscal quarters for which internal financial statements are available immediately preceding such date. In the

event that the Issuer or any of its Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the Consolidated Leverage Ratio is being calculated but prior to the event for which the calculation of the Consolidated Leverage Ratio is made (the “**Consolidated Leverage Calculation Date**”), then the Consolidated Leverage Ratio shall be calculated giving *pro forma* effect to such Incurrence, repayment, repurchase or redemption of Indebtedness as if the same had occurred at the beginning of the applicable four-quarter period; *provided* that the Issuer may elect pursuant to an Officer’s Certificate delivered to the Bondholders to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with IFRS), in each case with respect to a business, a division or an operating unit of a business, as applicable, and any operational changes that the Issuer or any of its Restricted Subsidiaries has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Leverage Calculation Date shall be calculated on a *pro forma* basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes (and the change of any associated Indebtedness and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation or operational change, in each case with respect to a business, a division or an operating unit of a business, as applicable, that would have required adjustment pursuant to this definition, then the Consolidated Leverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any event, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such *pro forma* calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officer’s Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period;

No Intra-Group Lender or Subordinated Creditor will exercise any rights which it may have to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Bond Documents of any other Creditor until such time as all of the Liabilities owing to the Bondholders have been irrevocably discharged in full.

12. Non-Cash Recoveries

12.1 Security Trustee and Non-Cash Recoveries

To the extent the Security Trustee receives or recovers any Non-Cash Recoveries, it may (acting on the written instructions of the Instructing Group) but without prejudice to its ability to exercise discretion under Clause 13.2 (Prospective Liabilities):

- (a) distribute those Non-Cash Recoveries pursuant to Clause 13 (Application of Proceeds) as if they were Cash Proceeds;
- (b) hold, manage, exploit, collect, realise and dispose of those Non-Cash Recoveries; and
- (c) hold, manage, exploit, collect, realise and distribute any resulting Cash Proceeds.

12.2 Cash value of Non-Cash Recoveries

- (a) The cash value of any Non-Cash Recoveries shall be determined by reference to a valuation obtained by the Security Trustee from a Financial Adviser appointed by the Security Trustee for the account of the Company taking into account any notional conversion made pursuant to Clause 13.4 (*Currency Conversion*).
- (b) If any Non-Cash Recoveries are distributed pursuant to Clause 13 (*Application of Proceeds*), the extent to which such distribution is treated as discharging the Liabilities shall be determined by reference to the cash value of those Non-Cash Recoveries determined pursuant to paragraph (a) above.

12.3 Appointment of Financial Adviser

- (a) The Security Trustee may, engage or approve the engagement of, (in each case on such terms as it may consider reasonably appropriate, pay for and rely on the services of a Financial Adviser to provide advice, a valuation or an opinion in connection with:

 - (ii) the application or distribution of any proceeds of a Distressed Disposal; or
 - (iii) any amount of Non-Cash Consideration which is subject to Clause 8.1 (*Turnover by the Creditors*).
- (b) For the purposes of paragraph (a) above, the Security Trustee shall act on the written instructions of the Instructing Group.

For the avoidance of doubt, the ability of the Security Trustee to appoint a Financial Adviser pursuant to this Clause 12.3 does not in any way alter, or permit the Security Trustee (or any Party instructing the Security Trustee) to derogate from, the rights and obligations of the Security Trustee under this Deed (including without limitation, the conditions applying to the release or disposal of any Transaction Security under Clause 11.2(a) (Distressed Disposal)).

12.4 Security Trustee Protections

- (a) No Distressed Disposal or Debt Disposal may be made in whole or part for Non-Cash Consideration if the Security Trustee has reasonable grounds for believing that its receiving, distributing, holding, managing, exploiting, collecting, realising or disposing of that Non-Cash Consideration would have an adverse effect on it.
- (b) If Non-Cash Consideration is distributed to the Security Trustee pursuant to Clause 8.1 (*Turnover by the Creditors*) the Security Trustee may, at any time after notifying the Creditors entitled to that Non-Cash Consideration and notwithstanding any instruction from a Creditor or group of Creditors pursuant to the terms of any Bond Document, immediately realise and dispose of that Non-Cash Consideration for cash consideration (and distribute any Cash Proceeds of that Non-Cash Consideration to the relevant Creditors in accordance with Clause 13 (*Application of Proceeds*)) if the Security Trustee has reasonable grounds for believing that holding, managing, exploiting or collecting that Non-Cash Consideration would have an adverse effect on it.

13. Application of Proceeds

13.1 Order of Application - Transaction Security

Subject to Clause 13.2 (*Prospective Liabilities*), all amounts from time to time received or recovered by the Security Trustee pursuant to the terms of any Bond Document or in connection with the realisation or Enforcement of the Transaction Security (the “**Recoveries**”) shall be held by the Security Trustee on trust, to the extent legally permitted, to apply them and be applied at any time as the Security Trustee (in its discretion) sees fit, to the extent permitted by applicable law (and subject to the provisions of this Clause 12), in the following order of priority:

Prior to the application of the proceeds of the Security Property, in accordance with Clause 13.1 (*Order of Application - Transaction Security*), the Security Trustee may, in its discretion, hold all or part of those proceeds in an account(s) in the name of that Security Trustee with such financial institution (including itself) and for so long as that Security Trustee shall think fit until otherwise directed by the Instructing Group in writing (the interest being credited to the relevant account) pending the application from time to time of those moneys in the Security Trustee’s discretion in accordance with the provisions of this Clause 12.

13.4 Currency Conversion

- (a) For the purpose of, or pending the discharge of, any of the Secured Obligations, the Security Trustee may convert any moneys received or recovered by it from one currency to another, at the Security Trustee’s Spot Rate of Exchange.

- (b) The obligations of any Debtor to pay in the due currency shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

13.5 Permitted Deductions

13.6 Good discharge

- (a) Any payment to be made in respect of the Secured Obligations by the Security Trustee may be made to the Creditors and any payment made in that way shall be a good discharge, to the extent of that payment, by the Security Trustee.
- (b) The Security Trustee is not under any obligation to make the payments to the Creditors under paragraph (a) above in the same currency as that in which the Liabilities owing to the relevant Creditor are denominated.

13.7 Calculation of Amounts

For the purpose of calculating any person's share of any sum payable to or by it, the Security Trustee shall be entitled to:

- (a) notionally convert the Liabilities owed to any person into a common base currency (decided in its discretion by the Security Trustee), that notional conversion to be made at the spot rate at which the Security Trustee is able to purchase the notional base currency with the actual currency of the Liabilities owed to that person at the time at which that calculation is to be made; and
- (b) assume that all moneys received or recovered as a result of the enforcement or realisation of the Security Property are applied in discharge of the Liabilities in accordance with the terms of the relevant Bond Documents under which those Liabilities have arisen.

13.8 Consideration

In consideration of the covenants given to the Security Trustee by the Debtors in Clause 14.3 (*Parallel Debt*), the Security Trustee agrees with the Debtors to apply all moneys from time to time paid by the Debtors to the Security Trustee in accordance with the provisions of this Clause 12.

- (f) Each Secured Party hereby ratifies and approves all acts and declarations previously done or made by the Security Trustee on such Secured Party's behalf (including for the avoidance of doubt the declarations made by the Security Trustee as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of any Secured Party as future pledgee or otherwise).
- (g) At the request of the Security Trustee, each other Secured Party shall provide the Security Trustee with a separate written power of attorney (*Spezialvollmacht*) for the purposes of executing any relevant agreements and documents on their behalf. - (h) For the avoidance of doubt, nothing in this Deed constitutes the Security Trustee as a trustee of any Subordinated Creditor (other than in respect of any Recoveries or in connection with Clause 13 (*Application of Proceeds*)).

14.2 Trust

- (b) In respect of any German Security, the Security Trustee shall:
 - (i) hold and administer such German Security which is security assigned (*Sicherungseigentum/Sicherungsabtretung*) or otherwise transferred under a non-accessory security right (*nicht-akzessorische Sicherheit*) to it as trustee (*treuhänderisch*) within the meaning of German law for the benefit of the Secured Parties; and

Each Debtor acknowledges that the Parallel Debt is several and separate and independent from the corresponding obligations of the Debtors to any Secured Party under or in connection with the Bond Documents (“**Corresponding Debt**”), nor shall the amounts for which any Debtor is liable according to the Parallel Debt be limited or affected in any way by its Corresponding Debt; *provided* that:
 - (i) the Parallel Debt of any Debtor shall be decreased to the extent that its Corresponding Debt has been irrevocably paid or discharged;
 - (ii) the Corresponding Debt of each Debtor shall be decreased to the extent that its Parallel Debt has been irrevocably paid or discharged; and
 - (iii) the amount of the Parallel Debt of each Debtor shall at all times be equal to the amount of its Corresponding Debt.
- (b) For the purpose of this Clause 14.3, the Security Trustee acts in its own name and not as a trustee, and its claims in respect of the Parallel Debt shall not be held in trust. The Security granted under the Security Documents to the Security Trustee to secure the Parallel Debt is granted to the Security Trustee in its capacity as creditor of the Parallel Debt and shall not be held on trust.

14.6 Instructions to Security Trustee and Exercise of Discretion

- (a) Subject to paragraphs (e) and (f) below, the Security Trustee shall act in accordance with any written instructions given to it by the Instructing Group or, if so instructed by the Instructing Group in writing, refrain from exercising any right, power, authority or discretion vested in it as Security Trustee and shall be entitled to assume that: any instructions received by it from the Creditors or a group of Creditors are duly given in accordance with the terms of the Bond Documents and unless it has received actual notice of revocation, those instructions or directions have not been revoked.

- (e) Paragraphs (a), (b) and (c) above and (f) and (g) below shall not apply:

 - (B) Clause 13.1 (*Order of Application - Transaction Security*);
 - (C) Clause 13.2 (*Prospective Liabilities*); and
 - (D) Clause 13.5 (*Permitted Deductions*),

which instruction and authority shall have been given under the terms of such Clauses and not the instructions of the Instructing Group pursuant to paragraphs (a) and (b) above.

- (f) Unless paragraph (e) above applies, if giving effect to instructions given by the Instructing Group would (in the Security Trustee's good faith opinion) have an effect equivalent to an Intercreditor Amendment, the Security Trustee shall not act in accordance with those instructions unless consent to it so acting is obtained in writing from each Party (other than that Security Trustee, whose consent would have been required in respect of that Intercreditor Amendment).
- (g) Unless paragraph (e) above applies, in exercising any discretion to exercise a right, power or authority under this Deed where it has not received any instructions from the Instructing Group, as to the exercise of that discretion, the Security Trustee shall do so having regard to the interests of all the Secured Parties.

14.7 Security Trustee's Actions

- (f) refrain from acting in accordance with the instructions of any Party (including bringing any legal action or proceeding arising out of or in connection with the Bond Documents) until it has received any indemnification and/or security that it may in its discretion require from a Group Member (whether by way of payment in advance or otherwise) for all costs, losses and liabilities which it may incur in so acting to the extent not already so indemnified or secured.

In no event shall the Security Trustee, any Receiver or Delegate be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Security Trustee, Receiver or Delegate (as the case may be) has been advised of the possibility of such loss or damages.

- (g) any unenforceability, illegality or invalidity of any obligation of any person under any Bond Document or any other document or security;

- (b) apply regardless of the order in which or dates upon which this Deed and the other Bond Documents are executed or registered or notice of them is given to any person; and
- (c) secure the Liabilities owing to the Bondholders in the order specified, regardless of the date upon which any of the Liabilities arise or of any fluctuations in the amount of any of the Liabilities outstanding.

- (a) Subject to paragraph (c) below and Clause 22.4 (*Exceptions*), this Deed may be amended or waived only with the written consent of the Instructing Group, the Company and the Security Trustee.
- (b) Any term of this Deed may be amended or waived by the Company (or, if applicable, the Security Trustee) without the consent of any other Party if that amendment or waiver is to cure defects or omissions; resolve ambiguities or inconsistencies; reflect changes of a minor, technical or administrative nature or manifest error; is otherwise only for the benefit of all Creditors; or (provided that such waiver or amendment does not adversely affect the interests of the other Creditors whose consent is not required for the applicable amendment) is consequential on, incidental to, or required to implement an amendment, waiver, consent or release set about above.
- (c) Subject to Clause 22.2 (*Amendments and Waivers: Security Documents*) and Clause 22.4 (*Exceptions*), where the Security Trustee consent is required for any amendment or waiver in this Clause 22, the Security Trustee shall act on the written instructions of the Instructing Group; provided that, to the extent that an amendment, waiver or consent only affects one series of Bondholders, and such amendment, waiver or consent could not reasonably be expected materially or adversely to affect the interests of the other series of Bondholders, only written agreement from the affected series shall be required; *provided, further*, that

Project Iceland – Intercreditor Deed

to the extent any amendment, waiver or consent would adversely affect holders of one series of Bonds relative to holders of any other series of Bonds, written agreement from the majority holders of the affected series shall be required (in addition to any consent or approval otherwise required).

- (d) Notwithstanding anything to the contrary in the Bond Documents, a Creditor may unilaterally waive, relinquish or otherwise irrevocably give up all or any of its rights under any Bond Document.

22.2 Amendments and Waivers: Security Documents

- (a) Subject to paragraph (b) below, and to paragraph (c) of Clause 22.4 (*Exceptions*), the Security Trustee may, if authorised by the Instructing Group in writing and if the Company consents, amend the terms of, release or waive any of the requirements of or grant consents under, any of the Security Documents, which shall be binding on each Party.
- (b) Subject to paragraph (c) of Clause 22.4 (*Exceptions*), any amendment or waiver of, or consent under, any Security Document which has the effect of changing or which relates to:
 - (i) the nature or scope of the Charged Property;
 - (ii) the manner in which the proceeds of enforcement of the Transaction Security are distributed; or
 - (iii) the release of any Transaction Security,

shall not be made without the prior consent of the Security Trustee (acting on the instructions of the Bondholders (together) comprising (a) if any Tranche A Bonds are outstanding, holders of at least 85 per cent. in aggregate principal amount of Tranche A Bonds and (b) if any Tranche B Bonds are outstanding, holders of at least 85 per cent. in aggregate principal amount of Tranche B Bonds), as at such time.

- (b) Without prejudice to the generality of Clause 14.8 (*Security Trustee's Discretions*) the Security Trustee may engage, pay for and rely on the services of lawyers in determining the consent level required for and effecting any amendment, waiver or consent under this Deed.

22.4 Exceptions

- (a) Subject to paragraph (c) below, if the amendment, waiver or consent may impose new or additional obligations on or withdraw or reduce the rights of any Party other than:
 - (i) in the case of a Bondholder, in a way which affects or would affect the Bondholders of that Party's series generally; or
 - (ii) in the case of a Debtor, to the extent consented to by the Company under Clause 22.2 (*Amendments and Waivers: Security Documents*),

the consent of that Party is required.

- (b) Subject to paragraph (c) below, an amendment, waiver or consent which relates to the rights or obligations which are personal to the Security Trustee in its capacity as such (including, without limitation, any ability of the Security Trustee to act in its discretion under this Deed) may not be effected without the consent of the Security Trustee.
- (c) Neither paragraph (a) nor (b) above, nor paragraph (b) of Clause 22.2 (*Amendments and Waivers: Security Documents*) shall apply:
 - (i) to any release of Transaction Security; or
 - (ii) to any amendment, waiver or consent,which, in each case, the Security Trustee gives in accordance with Clause 11 (*Non-Distressed Disposals, Distressed Disposals and Disposal Proceeds*).

None of the Bondholders will be liable to any other Creditor or Debtor for any Consent given or deemed to be given under this Clause 22.

22.6 Agreement to Override

- (a) Subject to paragraph (b) below, unless expressly stated otherwise in this Deed, this Deed overrides anything in the Bond Documents (other than any Security Documents which are governed by German law) to the contrary.
- (b) Notwithstanding anything to the contrary in this Deed, paragraph (a) above will not (i) cure, postpone, waive or negate in any manner any default or event of default (however described) under any Bond Document (or any event that would, but for paragraph (a) above, constitute a default or event of default (howsoever described)) as between any Creditor and any Debtor that are Party to that Bond Document, or (ii) override any voting threshold required to amend, modify or waive any provision of any Bond Document expressly set forth therein.

7 Redistribution

7.1 Subordinated Creditor's rights

- (a) Any amount paid by any Subordinated Creditor to the Senior Lender under Clause 5 (*Effect of Insolvency Event*) or Clause 6 (*Turnover of Receipts*) shall be treated as having been paid by the Borrower and distributed to the Senior Lender in accordance with the terms of this Agreement.

The Senior Lender shall apply all amounts from time to time received or recovered by it pursuant to the terms of this Agreement in respect of the Subordinated Liabilities (for the purposes of this Clause 8, the “**Recoveries**”) as it (in its discretion) sees fit, to the extent permitted by applicable law (and subject to the provisions of this Clause 8 (*Application of Proceeds*)), in the following order of priority:

Prior to the Senior Discharge Date, no Subordinated Creditor may assign any of its rights and benefits or transfer any of its rights, benefits and obligations in respect of the Subordinated Liabilities owed to it unless the Senior Lender has consented in writing to that assignment or transfer and the assignee or transferee has (if not already a Party as a Subordinated Creditor) acceded to this Agreement as a Subordinated Creditor pursuant to Clause 9.3 (*Creditor Accession Undertaking*) or has otherwise agreed in favour of the Senior Lender to subordinate its claims against the Borrower on substantially the same terms as this Agreement and in form and substance satisfactory to the Senior Lender.

9.2 New Subordinated Creditor

If any person is or becomes the creditor of any Subordinated Liabilities pursuant to the terms of the Subordinated Debt Documents (whether by new subscription or transfer from an existing Subordinated Creditor), the Borrower will procure that the Creditor of that Subordinated Liabilities (if not already a Party as a Subordinated Creditor) accedes to this Agreement as a Subordinated Creditor pursuant to Clause 9.3 (*Creditor Accession Undertaking*).

9.3 Creditor Accession Undertaking

With effect from the date of acceptance by the Senior Lender of a Creditor Accession Undertaking duly executed and delivered to the Senior Lender by the relevant acceding party or, if later, the date specified in that Creditor Accession Undertaking:

- (a) any Party ceasing entirely to be a Subordinated Creditor shall be discharged from further obligations towards the Senior Lender and other Parties under this Agreement and their respective rights against one another shall be cancelled (except in each case for those rights which arose prior to that date); and
- (b) as from that date, the replacement or new Subordinated Creditor shall assume the same obligations and become entitled to the same rights, as if it had been an original Party as a Subordinated Creditor.

10 Preservation

10.1 Partial invalidity

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision under the law of any other jurisdiction will in any way be affected or impaired.

No election to affirm this Agreement on the part of the Senior Lender shall be effective unless it is in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Agreement are cumulative and not exclusive of any rights or remedies provided by law.

10.4 Waiver of defences

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Borrower or other person;
- (e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Subordinated Debt Document, a Senior Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Subordinated Debt Document, any Senior Finance Document or any other document or security;
- (g) any intermediate Payment of any of the Senior Liabilities in whole or in part; or
- (h) any insolvency or similar proceedings.

- (b) apply regardless of the order in which or dates upon which this Agreement, any Senior Finance Document and any Subordinated Debt Document are executed or registered or notice of them is given to any person; and
- (c) postpone and subordinate the Subordinated Liabilities to the Senior Liabilities regardless of the date upon which any of the Senior Liabilities or the Subordinated Liabilities arise or of any fluctuations in the amount of any of the Senior Liabilities outstanding.

11 Amendments

Any term of this Agreement may only be amended or waived with the consent of the Parties and any such amendment or waiver will be binding on all Parties.

12 Counterparts

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.
